

# Beautiful LIVING Begins Here!

## *What happens when the money for assisted living runs out?*

We want to help alleviate the financial stress of aging so that you can enjoy these golden years. Are you or your aging loved one concerned about how to pay for elderly care and the increasing need for assistance with activities of daily living (ADLs)? The Sanctuary at St. Cloud is here to offer you a peace of mind.

## *On a fixed income?*

If you are like many retired Americans, you're probably running out of money or "spending down" your assets to pay for assisted living services. At The Sanctuary, you will never be asked to leave once the money from those assets runs out, as long as your income qualifies you for Medicaid Elderly Waiver support.

## *Are you already on Medicaid?*

We proudly serve Medicaid Elderly Waiver clients. If you are on Medicaid EW or are eligible, usually your social security check, minus a personal needs allowance, is all that you need to pay to live at The Sanctuary at St. Cloud. Minnesota Medicaid Programs pay for the rest of your care needs. Please contact your case manager for more specifics on the program.

## *Peace of Mind*

The Sanctuary offers exciting and life-enriching programs and activities. Our residents will get to enjoy all that The Sanctuary at St. Cloud has to offer with a peace of mind since they won't be asked to leave if their savings run out. Our Community Life Programs focus on residents' emotional, intellectual, social and spiritual needs. Here at The Sanctuary, you'll find the perfect spaces that meet each of your needs. Think of The Sanctuary as your safe haven. You will have the freedom and support to choose to live as you please.
